REFUGEE CRISIS IN 2015

WHAT DID EUROPE DO?

- Supporting Italy and Greece
- Working together to allow refugees to move further into Europe
- 2016 countries started to close borders
- Setting up “hotspots” in Greece and Italy for registration
- Distribution of refugees
- EU deal with Turkey, stopping refugees from moving to Europe
- EU supporting countries who host refugees like Lebanon and Jordan

REFUGEE CRISIS IN 2015

WHY IS IT A CRISIS?

- The EU does not yet have a system / laws in place that controls migration
 - Who has to take what number of refugees?
 - Which countries have to contribute to others to help?
- The process of deciding about ones asylum application takes a long time
- Already difficult housing situations get more difficult with the refugees needing places to live
- Refugees are still coming, numbers have declined
