

I am _____

But I sometimes pretend to be _____

I am _____

And I come from _____

My journey has been _____

That's why I am who I am.

I take great pride in _____

But I wish I was _____

For whatever reason, I have never _____

I am aware of _____

But I don't know much about _____

I am not like you. I am my own theory.

I struggle with _____

I cling to _____

I question _____

I am not comfortable in _____

I worry about _____

I am affected by _____

I am afraid of _____

But I still wake up every morning.

Because I love _____

I appreciate _____

I value _____

And I search for _____

I am a product of my culture.
