

# Jolt: Draw a Tree

Please take 2 minutes to draw a tree.

Please use an 8"x11" sheet of card stock and the markers for this project.

The drawing can be realistic or abstract.

***You must finish in 2 minutes.***

# Take a moment to admire the trees of others at the table.

- Do all the trees have branches?
- Do all the trees have leaves?
- What else do all the trees have in common?
- Do any of the trees have details that are not included in others'?

1. We tend to ignore things that are not clearly visible.
2. Very often the things we choose to ignore play an important role in our success.
