

Halfway through conversation say, "Wow, your English is so good!"

Deliberately talk super slowly in a manner that's almost mocking.

Interrupt your own sentences to define a random (and very simple) word you used (like bottle, bag, pen, etc.) assuming the other person does not understand.

Halfway through conversation say, "You're really smart/funny/cool for someone from _____."

Use a ton of slang or abbreviations such as "That was so lit" and explain the definition of the slang with a condescending tone.
