

After watching the [Slurp video](#), the facilitator may want to discuss the term foodways and slurping and debrief participants with the following questions, or come up with their own:

- What are foodways?
- How are foodways related to culture?
- What are my foodways?
- What are our foodways?
- What do my foodways say about me?
- What do our foodways say about us?
- How would someone who is unfamiliar with my foodways perceive me?
- How would I explain my foodways to someone who is unfamiliar with them?
